It lists every home sold in the six towns each month, the older houses listed by address with whether the county's record shows central air, and what the permit costs in each town. A new issue comes out the first Monday of each month. $29 a month at northhillsbrief.com.

HOW WE READ IT. Property sales are Allegheny County deeds on the Western Pennsylvania Regional Data Center, in the file as updated Nov 8; a deed can take up to about ten days to reach that file after it records. Liquor filings are the PLCB's and food openings are the county Health Department's food permits, both checked Nov 6. Town agendas and minutes come from each town's own website, collected Nov 6, and school board files from each district's board site, collected Nov 5. Agenda items print as scheduled, and only approved minutes or a district's board notes print as decided; unapproved minutes print as draft.
